ABOUT ME

Computer Science undergraduate at the **Informatics Institute of Technology (IIT Sri Lanka)**, affiliated with the University of Westminster, with practical experience in **IT Support, Data Science, Machine Learning, and software development**. Currently gaining hands-on experience in **IT Support and Data Science/Machine Learning**, while also leading **Hydra TechLab** as Founder, developing innovative software and AI-powered solutions.

PROFESSIONAL EXPERIENCE

IT Support & Data Science Intern — Gamage Recruiters

2026 – Present

IT Support

- Provided **IT support and troubleshooting**, including Active Directory user management, password/access recovery, device and software setup, printer and network support, VPN, email configuration, shared drives, and backup/restore testing.
- Performed **system configuration, access validation, testing, and technical documentation**.

Data Science / Machine Learning & Data Mining

- Worked with **CSV datasets**, including data collection, cleaning, preprocessing, and data preparation for **Machine Learning and Data Mining** tasks.

Founder — Hydra TechLab

2026 – Present

Founded and lead a technology startup focused on **AI-powered solutions and innovative software products**. Leading **product development, AI/ML initiatives, technical planning, and project management** from concept to implementation.

TECHNICAL SKILLS

Category	Skills	Category	Skills
Programming Languages	Java, Python, JavaScript	Tools & Technologies	Git, GitHub, VS Code, npm
Frontend Development	React Native, React.js		Vercel, Netlify,

	(Basic), HTML5, CSS3	Deployment & Environment	Environment Variables (Basic)
Backend Development	Node.js, Express.js, REST API Development	Core Concepts	Rule-Based Logic Systems, Data Structures (Basic), Algorithmic Thinking
Data Handling & Data Analytics	CSV File Handling, Pandas, NumPy (Basic), Data Cleaning & Processing		

SOFT SKILLS

- Teamwork and collaboration
- Time Management
- self-discipline
- Adaptability and resilience in high-pressure environments.
- Clear verbal communication and goal oriented mindset

LANGUAGES

- English – Fluent
- Sinhala – Fluent
- Tamil – Advanced

EDUCATION

- ✓ 2025 Jan intake **Bachelor's degree in computer science**, at the Informatics Institute of Technology, affiliated with the University of Westminster.(Reading)
- ✓ Primary & Secondary Education (2011–2024): AT **St peter's College, Colombo-04** :
 - **Advanced Level (Year 2024) – Commerce Stream**
Business Studies – C | Economics – C | Accounting – C | English – B
 - **Ordinary level (Year 2021(22))** - Mathematics – C | English – B | Tamil – C | Religion – A | ICT– C | History – S | Science – W | Commerce – C | Art – C
- ✓ **Relevant Learning & Ongoing Work:**
 - Studying core computer science fundamentals including programming concepts, logic building, and problem-solving.
 - Learning **Java and Python** as part of academic coursework.
 - Applying concepts such as data handling, rule-based logic, and API integration.

ACADEMIC and PERSONAL PROJECTS

AI-Based Pet First Aid Chatbot

Developed a mobile chatbot that provides basic first-aid guidance for dogs based on symptoms entered by users. The application uses **React Native for the frontend** and **Node.js with Express for the backend**, with structured **CSV datasets and rule-based logic** to generate responses. The system is designed with safety considerations, encouraging users to consult a veterinarian in emergency situations.

AI-Powered website Audit tool

Built an ai powered website audit tool that analyzes SEO and UX using structured metrics and generates actionable insights. Developed with React, nodejs and deployed via vercel and render.

Guru AI – AI Learning Application (Upcoming Project)

Planning to develop an AI-powered mobile application to help Sri Lankan students (Grade 6–A/L) excel in their education. AI powered features and comprehensive coverage to enhance learning outcomes.

SPORTS & EXTRACURRICULAR EXPERIENCE

• University Rugby Player – IIT

Represented IIT in major university tournaments (Imperial College 7s, SLIIT Donzens); known for discipline, teamwork, and reliability.

Rugby coordinator at IIT 25/26

• School Rugby – St. Peter's College

Represented Under 12–14 teams; attended First XV training sessions (2023).

• Cricket (Soft Ball) – RCC Club

3+ years competitive experience; *Best Bowler – NPL Tournament 2024*; part of multiple championship-winning teams.

• Fitness & Training

3+ years of consistent gym and fitness training, demonstrating strong self-discipline and commitment.

• Volunteer for the IIT Sport Council 2025. (Sport Meet)

Achievements

- Best Bowler – NPL Softball Cricket Tournament 2024
- Member of multiple championship-winning teams at RCC Club
- Represented IIT in national-level university rugby tournaments
- Volunteer – IIT Sports Council 2025 (Sports Meet)
